INTERNATIONAL CONFERENCE ON EMBEDDED WIRELESS SYSTEMS AND NETWORKS (EWSN-2022)

EWSN 2022 Copyright Release Form

This form must be completed and signed by the contact author of every accepted paper that is to appear in the proceedings. Only papers for which this form has been signed and submitted, and for which an electronic (PDF) form of the paper has been uploaded, will be published.

1. Please complete this EWSN copyright release form. This allows us to distribute electronic versions of the proceedings, such as USBs etc. You retain copyright of the paper.

2. By signing this release, you are granting the ACM permission for digital publication of your paper. This allows the ACM to store metadata and index the paper in their digital library.

3. By signing this release, you are granting EWSN the rights to host your PDF on their server and allow open access to your final submission and any additional supplemental material you submit.

Sending the Copyright Release Form

You should upload the completed and signed copyright form and the source files through the HotCRP submission site. There will be an option to upload the source files on the camera-ready submission page.
